- Headwear must be worn forward
- Closed-toed shoes are required, sandals & flip flops are not allowed

BOOKING TEE TIMES

Tee times may be booked up to 7 days in advance by members and the public. Tee times may be booked up to 30 days in advance by guests of Salishan Coastal Lodge that have a confirmed lodging reservation. For tournaments, group outings, and other events, please email golf@salishan.com to secure your date on our Club's calendar. *A full name, email, phone number, and valid credit card are required to hold all reservations.*

CANCELLATION AND NO-SHOW POLICY

Tee times may be cancelled up to 12 hours in advance with no penalty. Any cancellations or no shows inside of the 12 hour window will result in a charge equal to half of the public greens fee amount for the number of tee time slots they are occupying.

RAIN CHECKS

Inclement weather is a normal occurrence on the Oregon Coast. No refunds or rain checks will be given for rain, wind, cold temperatures, or other normal weather events. Exceptions may be permitted if weather becomes dangerous such as lightning or hazardous such as poor air quality.

CHECKING-IN

All golfers must check in to the Clubhouse prior to teeing off. This helps to ensure that proper attire is being worn and that all golfers in the group are paid and accounted for in the tee sheet. This includes both members and the public.

GOLF CART POLICY

Golf carts are on a first-come, first-served basis. Carts may be requested at the time of the reservation, but can never be guaranteed. Realizing that some golfers may not be comfortable sharing a golf cart with another individual during the COVID-19 pandemic, golfers may pay an additional fee to occupy their own cart. Ride-a-longs are permitted for an additional fee as well.

COVID-19 PROTOCOLS

Flagsticks are to remain in at all times. There is a pool noodle at the bottom of the cup to allow for contactless ball retrieval. Bunker rake usage is optional. If you do not wish to touch a bunker rake, simply smooth the sand out with your feet upon exiting the bunker. Face coverings are required to enter the Pro Shop. Increased hand sanitizing stations have been added throughout the facility. Single-rider carts may be purchased for an additional fee if cart availability allows. Driving range stalls are spread apart to ensure six feet of physical distance.
